

LUIS ROBERTO CARDOSO TRINDADE

About me

I am a 17-year-old Brazilian with a degree in Systems Development, passionate about IT and always seeking new challenges. I am eager to start my career in web development and Front-end, where I can apply my creativity and technical skills to innovative projects.

Experiência

Web Developer - Freelancer

July 2024 - Present

Right after graduating as a Systems Development Technician, I decided to seek new challenges and ways to acquire knowledge. I then started working as a freelancer, taking on various projects where I constantly gained new insights. I am proud to say that in all of them, I exceeded expectations.
